- TSC future call schedule

### **Antitrust Compliance Notice**

- Greg reminded the group of the Antitrust Compliance Notice

### **Welcome Technicolor**

- Greg Burns welcomed Technicolor as a new Premier Member and to the TSC

### **OpenWRT Project Proposal**

- Greg solicited any questions on the OpenWRT Project Proposal
- As there were no questions, Greg suggested that the TSC creates a project for Open WRT
  - o Yes: Mathew Martineau, Tolly Smith, Toru Ueda, Jun Zhang, Daeyoung Kim, Greg Burns,
  - o No: none opposed
  - o The OpenWRT Project will be formed

### **14.02 Release**

- No major updates for the group, this is still on schedule
- In the coming weeks, we'll begin discussing the 14.06 release

### **TSC Documentation Subcommittee**

- Greg proposes that we form this and asks the group to start thinking about this and whether or not individuals would volunteer for it
- TSC will discuss in greater detail next week

### **AskBot versus Forums**

- Mathew Martineau sent an email detailing this to the TSC list on 2/17
- AskBot allows up/down vote to surface the most useful questions and answers to the top
- In the current system (Forums), there are about 100 posts (which would become read-only if we transitioned to the new system)
  - o The top questions could be reposted over (pending volunteer resources)
- Forums was chosen as a carryover from AllJoyn (it's Drupal based)
- Mathew is in touch with Konstantin from the Linux Foundation about doing the transition
- Vote to approve switching from Forums to AskBot
  - o Yes: Greg Burns, Mathew Martineau, Jean-Francois Remy, Toru Ueda, Daeyoung Kim, Jun Zhang, Josh Hershberg,
  - o No: none opposed
  - o This is approved. Mathew to communicate this to Konstantin at the Linux Foundation
    - Greg suggested that we try to migrate as much of the current content as possible

### **Git/Gerrit Walkthrough**

- Mathew Martineau will run the walkthrough
- This will occur at the next TSC meeting

### **Next Meeting**

- Monday, 2/24, 9-10pm PT (will alternate between that and 6:00am PT)
- Please email Greg with any agenda items for inclusion in the next meeting
