

**ALLSEEN
ALLIANCE**

Core Working Group: Security 2.0

November 02, 2015

The contents of this document, and the interfaces described, and all the information herein, are the result of collaborative discussions by the Core Working Group. This summary documents the final consensus of the team.

Reminder:
**This call is being
recorded**

Antitrust Compliance Notice

- AllSeen Alliance meetings involve participation by industry competitors, and it is the intention of AllSeen Alliance to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of and not participate in any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.
- Examples of types of actions that are prohibited at AllSeen Alliance meetings and in connection with AllSeen Alliance activities are described in the AllSeen Alliance Antitrust Policy. If you have questions about these matters, please contact your company counsel, or if you are a member of AllSeen Alliance, feel free to contact Lee Gesmer or Andrew Updegrove, of the firm of Gesmer Updegrove LLP, which provides legal counsel to AllSeen Alliance.

Agenda

1. Triage
2. Discussion
3. Action items

Test Case Coverage As of 11/02/15

- SC Test cases
 - Complete
- TC Test cases
 - 90%

Triage

- Review unassigned tickets
- <https://jira.allseenalliance.org/issues/?filter=11142>

Discussion

Discussion

- Need to better define application states
 - Dan Mihai (MSFT) to file a JIRA task
 - Consider maintenance mode (current claimed state)
 - Add a new state “configured” or “stable”
 - Next steps: Dan to craft options and discuss with team
- Interface definitions – Gerrit (Qeo)
 - A lot of small interfaces
 - What is the best way to present to the user?
 - May be best to consider some examples to determine next steps
 - Use interfaces currently proposed to the IRB
 - Next steps: Gerrit to present (10-15 min) to team regarding interfaces and open discussion

Action Items

Action Items

- None noted

Thank You
