

**ALLSEEN
ALLIANCE**

Technical Steering Meeting

July 27, 2015

Antitrust Compliance Notice

- AllSeen Alliance meetings involve participation by industry competitors, and it is the intention of AllSeen Alliance to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of and not participate in any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.
- Examples of types of actions that are prohibited at AllSeen Alliance meetings and in connection with AllSeen Alliance activities are described in the AllSeen Alliance Antitrust Policy. If you have questions about these matters, please contact your company counsel, or if you are a member of AllSeen Alliance, feel free to contact Lee Gesmer or Andrew Updegrove, of the firm of Gesmer Updegrove LLP, which provides legal counsel to AllSeen Alliance.

WG contributor, committer, maintainer roles & responsibilities

WG contributors & committers

- Full details in section 8 of the TSC charter:
 - <https://allseenalliance.org/about/governance/tsc/charter>
- Committers
 - Initial Committers will be specified at Working Group creation.
 - Committers are the best available individuals, but usually full-time for any components in active development.
 - Have rights to commit code to the source code management system
 - Are the decision makers on design, code, and patches for their Working Group.
 - Each Committer must be an employee of (or expressly sponsored by) an Alliance member company (at any membership level) and responsibly participate in the consensus decisions of the TSC.
 - Committer rights are earned via code contribution and community trust.
- Contributors
 - Contributors will generally work with their Committer and their Project's sub-community.
 - They contribute code or other artifacts, but do not have the right to commit to the code base.
 - A Contributor may be promoted to a Committer by the Working Group's Committers

Gerrit Walkthrough

Gerrit Walkthrough

- Version control and code review tool
 - All commits flow through Gerrit: code, IRB submissions, webdocs,
 - Can post overall feedback and line-by-line comments
 - Anyone with an AllSeen Alliance login can upload code, view reviews, and participate in reviews
 - Help out the committers by voting “+1 Looks good to me” or “-1 I prefer you don’t submit this”
 - “Committers” have final responsibility for accepting code on behalf of the AllSeen Alliance
 - Jenkins verification build results are automatically posted in Gerrit
