

**ALLSEEN
ALLIANCE**

Technical Steering Meeting

June 16, 2014

Antitrust Compliance Notice

- AllSeen Alliance meetings involve participation by industry competitors, and it is the intention of AllSeen Alliance to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of and not participate in any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.
- Examples of types of actions that are prohibited at AllSeen Alliance meetings and in connection with AllSeen Alliance activities are described in the AllSeen Alliance Antitrust Policy. If you have questions about these matters, please contact your company counsel, or if you are a member of AllSeen Alliance, feel free to contact Lee Gesmer or Andrew Updegrove, of the firm of Gesmer Updegrove LLP, which provides legal counsel to AllSeen Alliance.

Agenda

- Vote on Update Service
- 14.06 Status
- New Members

Update Service

Voting

Update Service Overview

- Deliver an API and a common implementation into the open source which accomplishes the following use cases:
 - Enables AllJoyn device owners to securely update their device's software from an application running on a high end device in the proximity network
 - Enables AllJoyn device OEM to build a software management solution that provides software update to their AllJoyn devices

14.06 Release Update

UDP transport

- Issue
 - Stability issues with the new UDP transport.
 - Failure observed during stress testing.
 - The team is working aggressively on performance and bug fixes.
- Actions taken
 - UDP will be an experimental feature in 14.06 and commercialize in 14.10
