

**ALLSEEN
ALLIANCE**

Technical Steering Meeting

April 13, 2015

Antitrust Compliance Notice

- AllSeen Alliance meetings involve participation by industry competitors, and it is the intention of AllSeen Alliance to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of and not participate in any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.
- Examples of types of actions that are prohibited at AllSeen Alliance meetings and in connection with AllSeen Alliance activities are described in the AllSeen Alliance Antitrust Policy. If you have questions about these matters, please contact your company counsel, or if you are a member of AllSeen Alliance, feel free to contact Lee Gesmer or Andrew Updegrove, of the firm of Gesmer Updegrove LLP, which provides legal counsel to AllSeen Alliance.

Status: Alliance test proposal

Alliance Test Proposal

- Goal:
 - Place release testing, test automation, and test artifacts under the direction and control of the AllSeen Alliance
- Progress:
 - Test Plans, Test Cases, and Test Applications are being scrubbed and reviewed for publication at the Alliance
 - This process is expected to be completed in July
 - Linux Foundation has deployed TestLink, which will host the test cases
 - <https://tl.allseenalliance.org/testlink/index.php>
 - Nearly 200 test cases have been exported to TestLink thus far
 - All test applications have been open-sourced and the source code is now available at the Alliance

Alliance Test Proposal

- Two proposal documents:
 - Proposal for a 3rd party to host and maintain an automated test system, similar to QCE TestBot, on behalf of the Alliance
 - Status: completed
 - Proposal for a 3rd party to conduct release testing for AllJoyn Core and Base Services on behalf of the Alliance
 - Status: in-process (expect to be completed before the end of April)
- Several organizations have expressed interest
 - 3 commercial
 - 1 university
- Expect to have completed proposals and preliminary cost estimates by the end of April

Thank You
