Action Items

N/A

Meeting Notes

- Feedback received on AllJoyn Package Manager Format document
 - We will be moving forward on current proposed document
- Amendment 1 was sent to the list
 - It proposes Enterprise Mode
- XMPP Cloud Connector spec is being drafted
- We are still awaiting testing resources from Qualcomm to free up to test the code in the existing repository
 - Meanwhile it is important that those who are using the code file bugs in Jira
- Marketing material and technical backup for the project needs to be generated soon
