Presentation slides at:
https://wiki.allseenalliance.org/compliance/overview#meeting_minutes_and_presentations

Participants: Brett Preston (LF), Joe Speed (LF), Jun Zhang (Haier), Lisa Lammens (QCE), Takeshi Matsushita (Sharp), Telis Kaleas (QCE), Tolly Smith (Silicon Image)

Joe reviewed the Antitrust Compliance Notice and the Bylaws

Joe presented goals for the day's discussion, which included:
a) Phase 1 LIVE
b) User's Guide / Developer's Guide
c) Items to review for next Wednesday

Phase 1 LIVE

Brett noted self-certification program is Live, and encouraged those on the call to begin testing products. Brett requested those on call let us know if they encounter any issues, adding that questions others have may be good FAQs for the site

User's Guide / Developer's Guide

Telis introduced current version of User's and Developer's Guides. Telis asked for feedback to be sent to the mailing list

Items to review for next Wednesday

Telis introduced Events and Actions Feature 14.06 Test Case Specifications, requesting those on the call to review and provide feedback by next Wednesday

He requested any feedback be sent using the Review Docs template, found at
https://wiki.allseenalliance.org/compliance/overview#templates

Brett closed the call
